Dear Parents/Carers

### **Year 11 Mock Exam Results**

Yesterday the students were given a paper copy of their mock results and given time to reflect on their preparation and their performance. Some students will find their results pleasing, others disappointing along with a few surprises! These grades are also available online on Go4Schools along with their latest report for behaviour and forecast grades.

It is important that the term leading up to Easter is spent putting into action the targets that have been listed and identified and the school would appreciate your help to implement this in the run up to the exams.

Personalised feedback will be given next Thursday 17<sup>th</sup> January 2019 at Parents' Evening in the Dining Hall and Gym from 3.45pm. Please ensure your child is supported at this event by a parent/carer or another adult relation.

This term also sets the tone for the Year 11 summer exams and next Thursday evening will reinforce the specific actions they can implement in the immediate future to achieve their potential. I will have some availability during the evening if you require an appointment to discuss any concerns regarding your child's performance or any issues that you feel I need to be made aware of.

Lastly, please discuss your child's results with them. My final words at the end of the assembly were *"Trust us, utilise the opportunities presented to you and believe that with the right attitude your capabilities are limitless."*

Yours sincerely

Mr N Blount

Head of Year 11
