POLICY STATEMENT

BEHAVIOUR AND GOOD ORDER

AIMS

The school Mission Statement declares that: “St Peter’s is a Catholic School; our goal is to be Christ to all.”

We set out to nurture independent, resilient, inquisitive and motivated lifelong learners. By being compassionate and generous in spirit, we aim to be a community whose every member feels uniquely valued. We strive to enable all to be courageous individuals, having the integrity and the spiritual strength to make a positive difference in the world.

PRINCIPLES

Good behaviour is best promoted in an environment where people feel safe and valued and where learning is purposeful.

People respond better to praise and encouragement than to criticism and sanctions.

Rules are necessary for orderly community living and must be clearly stated and followed by students and staff.

All members of the school community have a common responsibility for promoting and maintaining good order and discipline and for applying this policy consistently.

THIS DOCUMENT IS ADDRESSED TO:

- ALL MEMBERS OF STAFF**
- PARENTS**
- STUDENTS**
- ALL VISITORS**

CODE OF CONDUCT

Guided by the Gospel imperative to *“treat others as you would wish them to treat you”*, the important rule for all of us is that **everyone (staff, students, parents and visitors) will act with courtesy and consideration to others at all times. Reconciliation underpins our response to all situations.**

This means that:

1. **I always try to understand other people’s point of view.**
2. **In class I make it as easy as possible for everyone to learn and for the teacher to teach.** This means arriving on time with everything we need for the lesson, beginning and ending the lesson in a courteous and orderly way, listening carefully, following instructions, helping others when appropriate and being calm and sensible at all times.
3. **I move sensibly and quietly about the school.** This means walking calmly, following the one-way system, never running, barging or shouting, but being ready to help by opening doors, standing back to let people pass and helping to carry things.
4. **I always speak politely to everyone and use a low voice.** Shouting is always discourteous.
5. **I am silent** whenever required to be.
6. **I respect the rights of all students;** during examination times I will give extra consideration to other students’ needs whilst moving around school.
7. **I keep the school clean and tidy** so that it is a welcoming place of which I can be proud. This means putting all litter in bins, keeping walls and furniture clean and unmarked and taking great care of the displays, particularly of other people’s work. Students, in turn, will participate in litter picking as a service to the community.
8. **I am considerate of others out of school.** Walking locally or with a school group, I always remember that I am an ambassador for the school and take pride in St Peter’s. This pride is reflected in my positive behaviour.
9. **I wear full school uniform, taking pride in my appearance.** This applies at all times in and out of school.

The following are not published as a list of rules but as an explicit statement of expectations.

REWARDS & SANCTIONS

The essence of our behaviour management at St Peter's is to acknowledge the students being good. We always want to emphasise positive behaviour and accordingly we start with rewards.

The following rewards are examples of how good behaviour and work is recognised at St Peter's:

Rewards

- Praise and encouragement
- A positive House Point recorded by staff
- Work displayed on the boards either in class or in the corridors
- Endorsing the quality of work by sharing it with another adult.
- Taking work to show to the Heads of Department, Head of Year, Deputy or Headteacher. These members of staff are always happy to acknowledge good work and to offer encouragement to the students concerned.
- Stickers, postcards and certificates are sent home for achieving a number of House points. These are either from the Tutor, or from the Head of Year, School Leadership Team, the Headteacher or the Chair of Governors.
- Awards Assemblies are held at the end of the autumn and summer terms to celebrate the achievements of students.
- Students showing a high level of effort in exam week will be commended.

All formal praise for good work and behaviour is recorded on Go 4 Schools. The students will be informed of their cumulative totals every week by their Form Tutor. As points accrue parents will be informed as follows:

Sanctions

Creating great, positive relationships and delivering high quality lessons will avoid having to use anything but basic sanctions. However, having a consistent set of guidelines for dealing with more challenging behaviour provides us with a structure that is simple to implement.

We have a simple system when basic expectations are not met to ensure disruption to learning is minimised, students are clear about their responsibilities to engage and to empower staff to deal with trickier situations effectively.

All teaching staff at St Peter's follow these simple steps consistently to effectively manage the learning environment:

The vast majority of students rarely need to be sanctioned and when they do it is for relatively minor reasons. However, where necessary we aim to be as consistent as possible in our application of sanctions.

The following table gives an indication of the possible consequences of unacceptable behaviour. Our focus is always on restorative justice and we aim in all circumstances to deal with any issues swiftly and fairly. This is to ensure that all parties are able to move forward with the best possible learning attitude.

*See isolation/internal exclusion below.

The above table is not exhaustive. We reserve the right to impose reasonable sanctions where a student's behaviour falls below required standards.

In case of any Exclusion it should be noted that the Educational Welfare Service, acting on behalf of Surrey County Council, may issue a Penalty Notice:

Penalty Notice relating to Exclusions

Section 103 of the Education and Inspections Act 2006 places a duty on parents to ensure that their child is not in a public place without justifiable cause during school hours when they are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice. The amount payable is £60 if paid within 21 days of receipt of the Penalty Notice, rising to £120 if paid after 21 days but within 28 days. If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

1. Failure to attend an after school detention will result in:
 - A three hour Saturday detention &/or isolation
2. Failure to attend a Saturday detention or isolation may result in:
 - The parents/carers being required to attend a meeting with Head of Year; student will be isolated and another Saturday detention issued.
 - The school responding to persistent offenders on an individual basis.
3. The school reserves the right to issue detentions at weekends, during school holidays and INSET days. Parents will always be notified in such cases.
4. The school has a legal right to search students or arrange for them to be searched if there is a suspicion that an offensive weapon is being concealed by a student (This would only be done in the presence of senior members of staff).
5. If a student is suspected of concealing alcohol, drugs or tobacco he or she will be searched. Further searches may be conducted by the Police.
6. Any potential criminal activity, including cyber-crime may be reported to the police.
7. Any costs incurred due to damage to school property will be reclaimed from the student.
8. Uniform issues – Please refer to our Uniform List for a comprehensive guide to uniform requirements at St Peter's.
 - No jewellery is permitted except a religious medal on a short chain, and a watch. Small gold, silver or pearl studs may be worn as a pair, one in each ear lobe. Single earrings are not permitted.
 - No jewellery is permitted during PE lessons. Pierced ears may not be covered with plasters.
 - Jewellery will be confiscated by staff and kept locked in the Finance office, and will be collected by the student at the end of the week.
 - Property of persistent offenders will only be returned to parents at an agreed time.
 - No extreme hair styles or colours, and no nail varnish.
 - Discreet make-up is permitted in Key Stage 4 only, at the discretion of staff.
 - Boys should be clean-shaven.
 - Uniform Day – immediate lunchtime detentions will be issued by SLT and PST when students' uniform is not worn correctly.
 - Sixth Formers are not required to wear uniform but are expected to be clean and tidy and adhere to the Sixth Form Dress Code.
9. Bus
The school will support the bus company in its application of sanctions.

The bus company in consultation with the Headteacher reserves the right to ban a student from using the school bus at any time. When using public transport, please be mindful of the school's expectations.

10. Mobile phones, technological device, social media and all related issues

We recognise that mobile devices are a part of everyday life and can be valuable for students' safety outside of school.

During the school day students may only use their mobile phones in accordance with the E-safety Policy. St Peter's is a centre of learning and teaching and we take students' safety and protection from cyberbullying and our role *in loco parentis* seriously.

If your child contacts you by phone please direct them to a member of staff in the first instance who will then contact you if necessary. We cannot enter into discussions which have been initiated through text messaging or unauthorised phone calls.

A student who uses his or her phone in school time without the permission of a member of staff will have that phone confiscated by any member of staff; it can be collected by the student after school on Fridays only, at the end of the school day, from reception. Parents of persistent offenders will have to come to school to collect it at an agreed time.

11. In accordance with the Educational Act 2011, staff have direct legal power to confiscate and examine contents of students' phones.

School Trips

Students whose behaviour is, in the opinion of the school, persistently poor will not be allowed to go on school trips.

Exclusion

The Governors reserve the right to exclude permanently any student who commits such a serious act that, in their opinion, his or her continued presence in the school would prejudice the health and safety of staff or students. The conditions of a reintegration into school after a Fixed-Term exclusion will be at the discretion of the Headteacher and the Head of Year and will reflect the seriousness of the incident.

Isolation/internal exclusion

If a student is in isolation he or she will work on his or her own and will spend lunch and break times separate from their peers. Students' mobile phones will be removed and returned at the end of the day. The school day is extended for students who are in isolation, students are to report to their HOY at 8.45 and will be dismissed at 4.45pm.

OTHER STRATEGIES FOR MONITORING AND IMPROVING BEHAVIOUR

Exits

A student will only be exited (removed from a lesson) if they are affecting the learning of other students.

'On Report'

A student whose behaviour is causing concern may be put 'on report'. Depending on the seriousness of the situation, the report will be issued and supervised by: the Form Tutor, the subject teacher, the Head of Year or Head of Department. The student is required to carry a report to each lesson and have it completed by each teacher. This would then be seen by his or her tutor and taken home to be countersigned by a parent/carer.

STUDENT SUPPORT

Form Tutor

The Form Tutor is there to support and guide a student in all aspects of his or her school life. If a student begins to struggle, perhaps accumulating 'Cautions', then the Form Tutor will discuss this with the student and explore why it is happening and what the student needs to do to get back on track. The Form Tutor is also the first point of contact for parents and subject teachers.

Subject Staff

The subject staff are to create a supportive and safe learning environment where a student's efforts are fully valued.

Chaplaincy Team

The Team is there to provide support for the student and to help him/her come to terms with his or her personal circumstances.

Parents/Carers

Parents have a support and disciplinary role with their children. The school ethos is to work in partnership with parents and to communicate students' progress and or concerns.

Although the school is always delighted to work with parents, we are unable to accommodate unscheduled meetings. Please do contact school and make a mutually convenient appointment.

Head of Year

The Head of Year has a major responsibility to encourage a positive environment for learning and discipline, as well as to recognise effort and achievement. This involves making sure that adequate support is available to all students.

Regarding Learning Support (Inclusion)

This policy acknowledges the school's legal duties under the Equality Act 2010, in respect of safeguarding and in respect of pupils with special educational needs (SEN).

This policy is developed in line with the Department of Education's "Behaviour and discipline in schools advice for head teachers and school staff February 2014".

Appendix 1 – Extended Hours procedures

Student safety after school

Principles:

Students should remain on school premises after 3:25pm only if:

1. They attend Homework Club
2. They are involved in an after-school activity organised and supervised by a member of staff, for which an end-time has been communicated to parents and carers.
3. At the end of these activities students should leave the site (as agreed with their parents or carers) or be collected by parents within 15 minutes of the scheduled finish time.

Students should not remain on site for other reasons, go in and out of Homework Club or leave the site and return. If students regularly ignore these guidelines, individual letters will be sent to their parents reminding them of their obligations as well as the school's responsibilities and requiring the students to leave school at 3:15pm.

Procedure:

School Reception is staffed until 4:30pm (4:15pm on Friday). Students who have difficulties in getting home should report this to Reception. Up to 4:30pm they should go to Homework Club, then go and sit in Reception.

Staff accompanying trips should not leave the site until all children have been collected or have left the site with the permission of their parents or carer.

If there are exceptional circumstances delaying a parent, Reception staff should contact other named adults if the usual parent or carer is likely to be delayed beyond 5:00pm. (Usually this would be discussed/agreed with parents on the phone.) This procedure should also be followed in extreme weather when the school closes early.

SLT and PST and the Site Team should be informed by Reception of students in exceptional circumstances when this situation arises.

Sixth Form After-hours procedure

The Sixth Form building is only to be used by Sixth Form students. Sixth Formers will be able to access the Key and study areas down stairs until 6pm, after which time any Sixth Former unsupervised by a member of staff must leave the site.

What to do after Reception closes:

Students wait in Reception. The front door of the school is locked at 6:00pm. Students should continue to wait in Reception (and use the staff exit) until they are collected.

It is important that a member of staff in school is aware of problems/exceptional circumstances which mean a child cannot safely leave the premises.

- SLT and PST contact details will be shared with Reception staff and Site Manager and Assistant, Security Guard and Head Cleaner, so that they can be informed if a student is still on site even if front door is locked.

If a child appears abandoned at 5:30pm, the Headteacher or his designated deputy should be informed so that a decision can be made to contact Police/Children's Services.
