Dear Parents and Carers

Snow Procedures

As you are aware, the current weather forecast is indicating that we may experience issues over the next 24 hours. The school will always aim to remain open in the event of snow, however, the severity will dictate what action the school takes in light of the safety of all our students and staff.

Please initially check our school website <http://www.st-petersschool.co.uk> for the most up-to-date information and our school Twitter account. A Schoolcomms will be sent with any further details.

Please be assured that in the event of the day-to-day running of the school being impeded, then we will inform you of any updates as soon as possible. I appreciate that this situation may cause stress and inconvenience, however, we are beholden to the ever-changing weather.

Thank you in advance for your support and patience on this matter.

Yours sincerely

Mr T Miller
Headteacher
