Adam Smith - Ethics - 9 September 2019 Utilitarianism: Bentham's Principle of Utility	
JEREMY BENTHAM 1748-1832	Jeremy Bentham - born 1748 died 1832 Social reformer, alive at a time of great reform in society and science e.g. French Revolution, American War of Independence
Hedonism	Sought to find a new ethical theory which would fit in with a radical politics. Hedonist - pleasure is the best outcome of life. Humans should seek to increase the amount of pleasure and avoid pain.
Principle of Utility	Utilitarianism is Bentham's ethical (later adapted by Mill in Rule Utilitarianism). It is quite simple and straightforward. Principle of Utility states that "the greatest good to the greatest number is the measure of right and wrong" What is the "good"?? Bentham argues this theory is based on empirical, rational evidence - makes sense in the Enlightenment
- Jeremy Bentham - ethical theory of Utilitarianism - Hedonist - seeking to maximise pleasure, minimise pain - Principle of Utility - "the greatest good for the greatest number" - What is the good?
