2. Statutory tests and qualifications offered

The statutory tests and qualifications offered at St Peter's are decided by the Headteacher, Deputy Headteacher, Heads of Sixth Form and the Senior Leadership Team.

The subjects offered for these qualifications in any academic year may be found in St Peter's published prospectus for that year. If there has been a change of syllabus from the previous year, the exams office must be informed.

At Key Stage 3

All candidates take internal assessments in all subjects which are duly reported.

At Key Stage 4

All candidates will be entitled, and enabled, to achieve an entry for qualifications from an external awarding body.

At Post-16

Internal exams modules are generally completed and exams taken during Year 12; A2 modules are then covered in Year 13.

3. Statement of Fair Assessment

- We aim to provide a variety of qualifications which provide all students with the opportunity to achieve their full potential by the most appropriate and direct route.
- Our Assessment Policy is based on the concepts of equality, diversity, clarity, consistency and openness.
- We will endeavour to ensure that the assessment processes are implemented in a way which is fair and non-discriminatory.

Access

Students are made aware of the existence of this policy and have open access to it. It can be found in reception and also in the policies section of the school web site.

All tutors are made aware of the contents and purpose of this policy.

This policy is reviewed every year and may be revised in response to feedback from students, tutors and external organisations.

What students can expect from us

- We aim to ensure that all assessment of work is carried out fairly and in keeping with the awarding body's requirements.
- All portfolio-based work will be assessed fairly against the qualification standards and teachers involved will be fully trained.
- Internal assessments will be carried out fairly and according to awarding body instructions.
- Externally marked tests and exams will be according to the requirements of the awarding body.

Students can also expect:

- To be fully inducted onto a new course and given information that can be shared with parents and carers.
- Learning outcomes, performance criteria and other significant elements of learning and assessment to be made clear at the outset of the course and when assignments are set.
- To be given appropriate assessment opportunities during the course with feedback provided on the quality of the work.
- All work to be marked within two weeks of submission by the student.
- Where equivalents and exemptions can be applied, we will ensure this is pursued with the relevant awarding body.

Cheating and Plagiarism

A fair assessment of student's work can only be made if that work is entirely the student's own.

- Therefore students can expect an awarding body to be informed if:
- They are found guilty of copying, giving or sharing information or answers, unless part of a joint project
- They use an unauthorised aid during a test or examination
- They copy another student's answers during a test or examination
- They talk during a test or examination.

All allegations of cheating and plagiarism will lead to a full investigation which will follow the guidance of the relevant awarding body.

If a student feels he/she has been wrongly accused of cheating or plagiarism, they should be referred to the Complaints Policy.

4. Exam Seasons and Timetables

4.1 Exam seasons

Internal exams are scheduled in the school calendar for each year group; mocks for Year 11 in December, Sixth Form in Spring, and other year groups generally have end of year tests in July. External exams are scheduled by exam boards in May/June (with Maths and English GCSE re-sits possible in November). Any disruption to external exams, due to poor weather etc., will be managed as advised in OFQUAL's *Joint Contingency Plan*.

4.2 Accommodation for exams

The Exams Coordinator will book all necessary rooms and communicate room use to other users and the Site Manager.

All internal exams from Year 9 are held under external exam conditions.

4.3 Timetables

The Exams Coordinator will circulate the exam timetables for external and internal-exams (from Year 9) once these are confirmed.

5. Entries, entry details, late entries and retakes

5.1 Entries

Candidates are selected for their exam entries by the Heads of Department and the subject teachers.

Candidates, or parents, cannot request a subject entry, change of level or withdrawal.

5.2 Late entries

Entry deadlines are circulated to Heads of Department by the Exams Co-ordinator.

Late entries are authorised by Heads of Sixth Form and Heads of Department, and are charged to the department where caused by deadlines not being met.

Reimbursement will be sought from candidates who fail to sit an exam or meet the necessary coursework requirements.

Retake fees are paid by the candidates, with the exception of GCSE Maths and English.

Candidates will usually pay the fee for an enquiry about a result. (See also section 11.2: Enquiries about results [RORs])

7. The Equality Act 2010, Special Needs and Access Arrangements

7.1 Equality Act

The Equality Act 2010 covers general qualifications. All St Peter's staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

7.2 Special needs

A candidate's special needs requirements are determined by the Inclusion Manager. The Inclusion Manager will ensure that all candidates with a learning difficulty are assessed by an appropriately qualified specialist assessor and will check the assessor's qualifications and that the assessments being carried out are administered correctly.

The Inclusion Manager will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an exam, and of any special arrangements that individual candidates may be granted during the course and in the exam.

7.3 Access arrangements

Making special arrangements for candidates to take exams is the responsibility of the Inclusion Manager and the Exams Co-ordinator.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the Exams Co-ordinator.

Rooming for access arrangement candidates will be arranged by the Exams Co-ordinator.

Invigilation and support for access arrangement candidates will be organised by the Inclusion Manager with the Exams Co-ordinator.

8. Invigilators

External invigilators will be used for exam supervision. They will be used for all external exams and occasionally for internal exams.

The recruitment of invigilators is the responsibility of the HR Manager in association with the Exams Officer and in accordance with St Peter's school recruitment policy.

Invigilators are trained, timetabled and briefed by the Exams Co-ordinator in accordance with the JCQ 'Instructions for Conducting Examinations' booklet

If unexpected absence of an invigilator occurs, teaching staff may be used for exams not related to their subject area.

9. Exam days

Site management is responsible for setting up the allocated rooms.

The Exams Co-ordinator will check all exam rooms and make the question papers, other exam stationery and materials available for the invigilator.

The Lead invigilator/invigilators will collect exam papers and other material from the exams office before the start of the exam, set up the exam room and conduct the exam in accordance with the JCQ 'Instructions for Conducting Examinations' booklet.

HoY or member of SLT (Not the subject teacher) must be present at the start of the exam to assist with identification of candidates but must not look at the exam paper if they are to leave the exam before the end of the exam.

The Exams Team should ensure all candidates are present and advise the Exams Coordinator of absent candidates immediately. Exams Coordinator will contact candidate to determine reason for absence and act to enable the candidate to arrive and take exam in accordance with JCQ guidelines.

The lead invigilator will start all exams using the suggested wording in the JCQ 'Instructions for Conducting Examinations' booklet to which it refers.

In practical exams subject teachers must be on hand in case of any technical difficulties.

Exam papers must not be read by teaching staff or removed from the exam room before the end of the exam. Unused papers must be returned to the Exams Office and will be put in Heads of Department pigeon holes at the earliest opportunity once completed papers have been despatched.

The Lead invigilator/invigilators will collect all exam papers in the correct order at the end of the exam and return them to the exams office.

The Exams Co-ordinator will be responsible for ensuring secure and prompt despatch of completed papers.

Attending exams is very important. Contact the Exams Office as soon as you realise you may be late or unable to attend because there may be a solution. Candidates will be charged for any missed exams unless they qualify for Special Consideration (see 9.3)

Candidates who arrive late within the first hour of the exam will be permitted to begin and will be allowed the full time allowed to complete the exam. Candidates who arrive late after the first hour of the exam, will be permitted to sit the exam and will have the full time allowed. The exam board will be notified of all incidents of lateness. It will be the exam board's decision whether to allow a candidate's result who was more than an hour late for the scheduled start of the exam. In all cases, disruption to other candidates will be minimised.

St Peter's strives to ensure that all candidates are given the best possible environment in which to take their exams and disruptive candidates will be removed from the exam and may not be allowed to return.

Candidates' personal belongings remain their own responsibility and St Peter's accepts no liability for their loss or damage.

You must bring the correct equipment and/or materials to the exam. This includes extra black pens, pencils etc. in case they run out or break. St Peter's only has sufficient spares for emergency replacement in the exam so you will disadvantage yourself if you do not have what you need to answer questions.

Food and Drink

Water can be brought into the exam room in a clear plastic bottle with the label removed. No other food or drink is permitted in the exam, unless there is a medical reason. In this case, food must be removed from any wrapper in advance and left in view on the exam desk.

Leaving the Examination Room

In the instance that a single candidate needs to temporarily leave the exam room they will be accompanied by an invigilator. We will ensure that the invigilator to student ratio remains at the correct level.

Separate invigilation

If a candidate requires separate invigilation due to a medical or emotional reason, we will ensure that we have appropriate documentary evidence and ensure that all invigilation requirements are maintained.

10.2 Candidates with Exam Clashes

The Exams Co-ordinator will be responsible for any arrangements necessary to deal with exam clashes.

10.3 Special consideration

Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, it is the candidate's responsibility to alert St Peter's, or the Exams Co-ordinator, to that effect.

Any special consideration claim must be supported by appropriate evidence within five days of the exam, for example a letter from the candidate's doctor.

The Exams Co-ordinator will then forward a completed special consideration form to the relevant awarding body within seven days of the exam. A decision to allow Special Consideration can only be made by the exam board.

11. Staff Malpractice

In the event of any dispute or allegation regarding staff malpractice in the assessment of internally marked qualifications (such as ASDAN CoPE) and also regarding examinations invigilated by staff at the school and marked externally.

Examples of Malpractice

Attempted or actual malpractice activity will not be tolerated. The following are examples of malpractice by staff with regards to portfolio-based qualifications. This list is not exhaustive:

Investigations into allegations will be fully investigated and where appropriate the disciplinary procedure will be followed.

If work is submitted for moderation/verification or for marking which is not the candidate's own work, the awarding body may not be able to give that candidate a result.

14.2 Review of Results (ROR)

ROR requests may be made via the Exams Coordinator, by St Peter's staff or candidates if there are reasonable grounds for believing there has been an error in marking. RORs are usually carried out at the candidate's expense; in certain circumstances the Headteacher may authorise payment by St Peter's.

17. Appeals against Internal Assessment

EXAMINATIONS APPEALS PROCEDURE FOR:
ST PETER'S CATHOLIC SCHOOL
HORSESHOE LANE EAST, GUILDFORD, SURREY GU1 2TN

APPEALS AGAINST INTERNAL ASSESSMENT OF WORK FOR EXTERNAL QUALIFICATIONS

St Peter's is committed to ensuring that whenever its staff assess student's work for external qualification, this is done fairly, consistently and in accordance with the specification for the qualification concerned. Assessments should be conducted by staff who have appropriate knowledge, understanding and skills and who have been trained in this activity. Student's work should be produced and authenticated according to the requirements of the examinations board. Where a set of work is divided between staff, consistency should be assured by internal moderation and standardisation.

If a student feels that this may not have happened in relation to his/her works/he may make use of this appeals procedure. Note that appeals may only be made against the process that led to the assessment and not against the mark or grade.

The existence of this procedure is made known to students by various means.

This procedure is available from the exams office.

1. Appeals should be made as soon as possible, and must be at least two weeks before the end of the last externally assessed paper in the examinations series. (So the appeal must be made before a date in mid-June for the summer series as presently timetabled.)
2. Appeals should be made in writing to the Examinations Manager who will investigate the appeal. If the Examinations Manager was directly involved in the assessment in question, the Head Teacher will appoint another member of staff of similar or greater seniority to conduct the investigation. Likewise if the Examinations Manager is not able to conduct the investigation for some other reason it will be performed by another teacher..
3. The Examinations Manager or other member of staff will decide whether the process used for internal assessment conformed with the requirements of the awarding body and the examinations code of practice of the QCA. This will be done before the end of the series. (Currently the end of June for the summer series).
4. You will be informed in writing of the outcome of the appeal, including any correspondence with the board, any changes made to the assessment of your work, and any changes made to improve matters in the future.
5. The outcome of the appeal will be made known to the Head Teacher, and will be logged as a complaint under the complaints procedure. A written record of the appeal will be kept and made available to the awarding body at their request. Should the appeal bring any irregularity to light the awarding body will be informed.

After work has been assessed internally it is moderated by the awarding body (examinations board) to ensure consistency between centres. Such moderation frequently changes the marks awarded for internally assessed work. That is outside the control of St Peter's and is not covered by this

procedure. If you have concerns about this please ask the Examinations Manager for a copy of the appeals procedure of the relevant examinations board.
