

Extra-curricular clubs

Half term 5

Introduction

This year at St Peter's, we are delighted to be offering more extra-curricular clubs than ever. We encourage every student to make the most of these activities and push themselves to get involved with something new this year.

This booklet gives a brief overview of each club that is running this half term, as well as a rota of when these clubs are happening. Students should make note of any changes in the Student Bulletin in each week.

New clubs for this half term have been **highlighted in red text** for your convenience.

We would particularly like to thank the many staff who are giving up their free time to run a club.
